Individual Broker Portal Enhancements

Your support teams can now access the quoting and enrollment tool directly in the [broker portal](#) by creating a user ID and password. This enables them to complete individual applications, group quotes and new group applications on behalf of a producer.

Nevada 2024 Producer Performance Guide Update

The 2024 Producer Performance Guide has been updated with a Small Group Base Commission change effective July 1, 2024. To access the updated Producer Performance Guide:

Log in to uhceservices.com

- Existing users of uhceservices.com can use their One Healthcare ID to sign in.
- New users can create a new account using the instructions available on the uhceservices.com homepage.

From the “Resources” tab, navigate to “Forms” then “State” (*choose your state from the drop-down selection*). Then scroll down to the “Producer Performance Guides” section, then click “View PDF”.

If you have any questions, contact your sales/account representative.
